STAGE INTRODUCTION BY EMCEE

(When Inviting Dickson on to the Stage)

Today's speaker is a keynote speaker, author and influencer. He helps people and organizations get creative towards the future of work and business.

His best-selling book ***"Leadership for future of work: 9 ways to build career edge over robots with human creativity"*** was featured in media such as Forbes, Irish Tech News and "Money FM 89.3".

He works with professionals from Cartier, CITIC Telecom, JVC Kenwood, Novartis and many more.

Why he cares so much about creativity and the future? Because the future needs creativity, but traditional schools don't teach creativity. That's a big gap.

People called Dickson an "ideas" person. He loves to share ideas. Please welcome to the stage - keynote speaker, author and influencer, Dickson Tang.

BIO

(For Pre-Event Marketing and Promotion)

Dickson Tang is a keynote speaker, author and influencer. He helps people and organizations get creative towards the future of work and business, so that they can unlock ideas and opportunities in new products, services and processes.

He is author of the book *"**Leadership for future of work: 9 ways to build career edge over robots with human creativity**"*.

He was featured in media such as Forbes, Irish Tech News and "Money FM 89.3".

Why he cares so much about creativity and the future? Because the future needs creativity, but traditional schools don't teach creativity. That's why he wants to do something to bridge this big gap.

People called Dickson an "ideas" person; he is a strong believer that "idea is the new currency in the new economy". His speaking session is lively, positive, engaging with actionable ideas.

He also runs a corporate training company, working with leaders and executives from Cartier, CITIC Telecom, JVC Kenwood, Mannheim Business School, Menicon, Montblanc, Novartis and many more.

He holds an MBA from ESSEC Graduate School of Management in France and a Bachelor of Social Science from The Chinese University of Hong Kong.

He lives in Singapore.
